Sir

I have the honour to convey to Government the sense of the gratefulness of the managing Committee, Central Institute for Defectives, Mysore, for having kindly exempted the benefit performance given by the blind boys of the Institute on the 7th October 1933 at Mysore as per Government Order No dated

Being encouraged by the success which attended the first performance the committee is thinking of putting on boards a few more performances at Mysore and other places and this help to augment the resources of the committee for improvement of the well being of the boarders in the hostel which is a charitable institution and whose income is not sufficient to meet its ever growing expenses

I may be permitted to point out that the performance will be given by the blind inmates of the Institute and that the realisations will be entirely used for improving the comforts of the defective children

The committee would therefore, be highly grateful to Government if exemption from the operation of the Amusement Tax may be kindly granted in the case of all benefit performances given by the blind pupils of the Institute

Early orders are solicited as it is intended to put on board a dra a - Mirabilis & - on the 7th of October 1022

I have the honour to be,

Sir,

Your most obedient servant,
